

SUMMER 2013 PEER GROUPS FROM RESOLVE NEW ENGLAND

Infertility & Adoption Peer Support Groups

No matter where you are in your journey toward parenthood, RESOLVE New England can help.

Since 1974, we have prided ourselves on our face-to-face support outlets for every stage on the journey to parenthood. We offer General Infertility Peer Support Groups across the New England region, as well as several focused Topic Discussion Support Groups.

General Infertility Peer Support Groups

Open to women and men, individuals and couples dealing with primary infertility (those with no children). Discussion may include talking about current treatment, dealing with friends and family, and coping strategies.
